You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see she has left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back, or you can do what she'd want, smile, open your eyes, love and go on.

I am home in Heaven,

dear ones:

Oh, so happy and so bright!
There is perfect joy and beauty
In this Everlasting Light.
All the pain and grief are over!
Every restless yearning past;
I am now at peace forever,
Safety Home in Heaven at last.

Dear one,

do not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's
shadows,

Pray to trust Our Father's Will.
When your work is completed,
He will gently call you Home;
Oh! the rapture of that meeting!
Oh, the joy to see you come.
